 - How has the draft plan evolved in response to TAG, CAG and Community comments throughout the process?
 - What are the costs for discrete segments and projects presented in the draft plan, and how were these derived?
 - Do we have all the relevant information from each of you in terms of your department's or agency's funded projects?
 - What does the community and stakeholders want to see done first? How will the project be phased?
 - What are the costs for maintaining and operating this pathway system?
 - What will the final report say and look like? Who will review and approve it?

10:45 – 10:55: THANK-YOU!
